Mr. A. M. Manley,
71 Cranford Street,
Newark, N. J.,

Dear Sir:-

In answer to your letter of Feb. 19th. in regard to playing here this Summer; You asked me to send you the Schedule from The League. but it will not be ready until the last of March or the first of April, but I shall rush it to you as soon as I can get it.

The game that I want you and The Homestead Grays to play, I hope you will be able to come. This date will be during the week of April 16th. The League will open on April 24th. and this game can be played before the League opens.

I wish you would please send me Mr. Pompey's address, The Owner of the New York Cubans; If you should happen to see him, I would appreciate it, if you would speak to him about my bringing The South's All Stars, to play in New York, as we did last year.

I want to set this date up now, and I would prefer working with my own people in this promotion, rather than working with the Jewish people.

Tell Mr. Pompey I plan to come to New York in the early part of April, and hope we can work out plans for this particular game at the Polo Grounds.

Can you give me any information as to the Owner of the New Club The New York Giants I notice that Lionel Hampton Orchestra Leader will manage this Club.

Let me hear from you at once,

Very respectfully yours,

A. J. Hammond
